| 9 | Monday, January 26, 2015 | At 6:33am, Dan Feidt, author of the HongPong.com blog, publishes a 'hit piece' on Mr. Hennen's "Justice" page. Mr. Feidt's career doesn't add up, but he does seem to be "connected." Mr. Feidt's grandfather was a Counter-Intelligence officer in WWII. This leaves many wondering what Dan Feidt actually does for a living, as he recently accepted a position in Boston, MA. At 8:54am, Mr. Hennen "bans" user "Scott Wilson" from his "Justice" page. This marks the first member "banned" on his page. At 9:00am, Sean Wright and various others begin "spamming" the link to the HongPong.com article to dozens of members of Mr. Hennen's "Justice" page in the form of direct messages. Mr. Hennen receives info from immediate family members asking him "who is Sean Wright and why is he sending direct messages to us?" At 9:47am, Mr. Wright messages Mr. Hennen "Are you sure you do not want to reconsider your actions?" (This marks the last time Hennen corresponds with Wright.) Ben Swann interview with Danny August Mason airs. YouTube video - 27 minutes |
| 10 | Tuesday, January 27, 2015 | At 1:17pm, Mr. Lapp messages Mr. Hagmann with his conclusion regarding the "quick shift" in the decision for the Gray State team NOT to work with Mr. Lapp. Well-known shill Brendan Hunt works the "controlled opposition" angle. Mr. Hunt messaged Mr. Wright on 1/20 and told him several lies and took other things out of context to trick Mr. Wright into thinking Mr. Lapp was some sort of fraud. This evidently was enough to convince Mr. Wright which is why he changed his attitude so quick. A thread on internet forum GLP, mentions a comment that David Crowley posted in the fall of 2014, was now removed from David's FB page. Visitation is held for David Crowley from 3:00-8:00pm in Owatonna, MN |
| 11 | Wednesday, January 28, 2015 | Memorial service is held for David Crowley at 11:00am in Owatonna, MN. Atmosphere was strange, admits a first cousin of David Crowley. His friends acted like it was "a party", and a lot of laughing. This person went on to state that Dan Crowley Jr's behavior was "off." "He was very high strung and couldn't stay in one spot. Very nervous." He was sure to tell close family NOT to talk to cops, media or friends. He said "something big is going down." Brendan Hunt publishes a nine minute YouTube video as a 'hit piece' towards the Hennen "Justice" page. (The 2nd such one). He credits much of his information from the HongPong.com blog. |

Joshua Lee Rafevold dies unexpectedly. He is the nephew of Judy/Collin Prochnow. A GoFundMe campaign is set up to raise funds for this unexpected financial stress. The "GoFundMe" campaign is closed down by Dan Crowley Jr. It raises just over \$8,000. |
| 30 | Monday, February 16, 2015 | It's suggested that "Judy Prochnow" could be "Dan Feidt" posting on the "Justice" page as his Twitter feed and Facebook accounts were "quiet" over the past two days which is not usual. "Judy Prochnow" makes a claim that she is "excited" that Sidrah Alam wants to meet her when she comes to town in a couple of weeks.
